CHASA is a non-profit 501(c)(3) corporation that offers support and information for families of children who have hemiplegia, hemiparesis, and/or childhood stroke. CHASA's resources include local support groups, websites (www.chasa.org & www.kidshavestrokes.org), online support, and an annual family retreat and medical conference. CHASA also awards research grants to scientists who focus on infant and childhood stroke research. Contact CHASA at info437@chasa.org
