

CHILDHOOD STROKE AWARENESS

2010 Event:

MAY 1, 2010

Childhood Stroke Awareness Day
Central Florida Walk for Awareness
Red Bug Lake Park
Casselberry, FL

March 2010

Dear Friends and Colleagues,

When our son **Jack**, now 3 years old, suffered a stroke at **2 days old**, we knew our lives had changed forever. The diagnosis was devastating and left us wondering how it happened and what we could have done to prevent it. Fortunately, we have been blessed with fabulous doctors and therapists who are not only helping to Jack **recover** but to **thrive**.

However, most people are **not even aware** that an **infant or child** can have a **stroke**. **Early diagnosis** and **early intervention** are key to our children receiving the **vital therapies** they need.

In the years since Jack's diagnosis, we have been lucky to find and take advantage of the services offered by the **Children's Hemiplegia & Stroke Association (CHASA)**, a national non-profit organization dedicated to raising awareness of pediatric strokes and improving the lives of these tiny stroke survivors and their families.

To help **CHASA** support its goals, on **Saturday, May 1, 2010**, the **2nd Annual Central Florida walk for Childhood Stroke Awareness** will take place. Our goal in this second year is to raise at least **\$10,000** for **CHASA**.

You can be a part of this worthwhile effort by sponsoring a portion of the event. If you elect to participate, we'll recognize your important and generous contribution as outlined below:

In addition to your company name/logo prominently displayed on the walk t-shirt to be supplied to all registered walkers, you will receive recognition (with your **Level Sponsor**) on the website, social networking sites, e-newsletter, signage at the walk, plus:

- Diamond Level**, \$2,500 - **special recognition** at the event as the lead sponsor of the event, **predominant** placement on walk t-shirt, banner and brochures. Sponsors' brochures may be placed on **information table** and/or in take-home **bags**
- Platinum Level**, \$1,000: **central**, prominent placement on walk t-shirt and banner
- Gold Level**, \$500: **mid level** prominence on walk t-shirt and banner
- Silver Level**, \$200: **general** level prominence on walk t-shirt

Stroke survivors, like Jack and many others right here in your community, **struggle every day**. We hope you will help us to help them by teaming with us to make this walk for Childhood Stroke Awareness, **a huge success**.

Please don't hesitate to contact us at **407-970-5220** or at **avmel@yahoo.com**.
Sincerely,

Melanie & Avri Livingstone
Winter Springs, FL
