Providing fitness and social opportunities in a guided but natural and fun environment!

The Summer Discovery Club is an opportunity for younger children ages 4 to 7 who experience mild cognitive disabilities such as Asperger's, high functioning autism, PDD-NOS, MDD, CDD, social anxieties, or minor disabilities to be part of a social club. The Club provides a safe, encouraging, and non-judgmental environment that allows its participants to be themselves. Physical activities, friendship building and social awareness are the main objectives of the Club. The Club is designed to provide active and creative activities to support the interests of its participants.

Sessions include:

- ★ Fun and challenging Obstacle Courses on The Discovery Bus
- ★ Playground games
 - ★ Water action
 - ★ Social Skills
 - ★ Bus Art
